DISCUSSION & FEEDBACK

10:45 -13:30 INNOVATION AND DESIGN THINKING HANDS-ON WORKSHOP

Prof. Víctor M. González

This workshop offers a general and practical introduction to Design Thinking, an innovation method to generate new products and services with a human-centered approach based on developing empathy for the people, implementing right ideation techniques for potential solutions and validating them through continuous prototyping. We discuss the opportunities to apply the concepts to transform individuals and their organizations.
